1.30	Buffet Lunch	All welcome*
2.30	PhD Presentation Showcase	All welcome*
6.00 for 6.30	UKACC/Mechatronics Forum Lecture	Register with IMechE online

'Modelling, Control and Optimisation of Hybrid Vehicles'

Professor Lino Guzzella, Institute for Dynamic Systems and Control, ETH Zurich.

Separate registration is required for this lecture, see

<http://events.imeche.org/EventView.aspx?EventID=2186>

*Please let us know if you are attending these but are not a presenter or committee member so we know numbers for space/catering (conferences@instmc.org.uk)

PhD Presentation Showcase

Detailed information can be found in 'Presenters Instructions' (see www.ukacc.org.uk)

- A 4 minute presentation is required (powerpoint template provided)
- Slides will be made available on the UKACC website.
- Any current or recently completed control-related PhD student can take part; presenting work-in-progress, or planned work is fine, not just final results.
- A UKACC panel will judge and award the BEST PRESENTATION PRIZE.
- Last year's presentations can be found at http://ukacc.group.shef.ac.uk/?page_id=351
- See 'Presenters Instructions' for submission details. Deadline **24th October 2013.**
