12.00	UKACC AGM	Committee plus any additional representatives of member bodies are welcome.
1.00pm	<b>Buffet Lunch</b>	<b>All welcome*</b>
2.00-5.00	<b>PhD Presentation Showcase</b>	<b>All welcome*</b>
6.00 for 6.30	<b>UKACC/ InstMC Thomson lecture</b>	<b>Register using separate form</b>

The UKACC/InstMC Thomson lecture will be given by Oxford University's [Professor Marcus du Sautoy](#), entitled 'From Measurement to Mathematics'.

**Post Lecture Reception (Hot Buffet.) (£30/head) Register using separate form**

\*Please let us know if you are attending these but are not a presenter or committee member so we know numbers for space/catering ([conferences@instmc.org.uk](mailto:conferences@instmc.org.uk))

### PhD Presentation Showcase

Detailed information can be found in 'Presenters Instructions' (see [www.ukacc.org.uk](http://www.ukacc.org.uk))

- A 4 minute presentation is required (powerpoint template provided)
- Slides will be made available on the UKACC website.
- Any current or recently completed control-related PhD student can take part; presenting work-in-progress, or planned work is fine, not just final results.
- A UKACC panel will judge and award the BEST PRESENTATION PRIZE.
- Last year's presentations can be found at [http://ukacc.group.shef.ac.uk/?page\\_id=443](http://ukacc.group.shef.ac.uk/?page_id=443)
- See 'Presenters Instructions' for submission details. Deadline **17th October 2014.**
